

# Together in Development & Education (India wing)

## Job Description: Manager

TIDE is an educational reform organization founded in November 2014 that aims at bringing about sustainable change in the educational system. As of December 2025, we have impacted the lives of 50,250+ individuals. We have multiple programs that work with different aspects of education. All the programs act independently while following a similar guideline i.e., working on high-impact projects with the aim of creating a system that resolves the root cause in a span of 15 years.

### Job Overview

We are looking for a leader to help us transition from a grassroots organization to a knowledge focused organization. The manager will work in a small team managing ongoing operations while supporting this transition across our programs:

1. Activity based learning resource centre- over the last decade we have designed and implemented several activity based learning materials and now seek to build an online resource centre collating and compiling materials while conducting trainings to support the uptake.
2. Education for /as/ through social justice
  - a. Disha camps and SDG workshops in rural schools- aligning with bagless days we have developed and implemented programs to engage students in resolving challenges at their schools and in their neighbourhoods.
  - b. Model city council and social changemaker fellowship in urban schools- we build awareness, understanding, empathy through dialogue and action around social issues in and around one's neighbourhood.

### Job Description

We are seeking a long-term staff member that commits to at least 2 years and ideally stays on for much longer. Their primary responsibilities will include, but not be limited to the following:

- 1) Supporting ongoing operations:
  - Support the ongoing operations of Disha camps supporting our grassroots field associates
  - Manage, train, and support volunteers to conduct Disha camps in urban schools
  - Lead the curation of ABL materials (all materials are in Gujarati) for the resource center.
- 2) Develop institutional partnerships (with teachers, schools, universities, NGOs, and the government):
  - Develop partnership toolkits, presentation decks, and communication materials for outreach.
  - Build collaborations with the institutions to scale the programs
- 3) Training & Volunteer management:

- Facilitate capacity-building trainings for partner organizations including teachers, NGO staff members, and others that decide to take up our programs
- Train university students (Bed, MSW, BRS) to implement our programs in their respective contexts.
- Train and support TIDE volunteers to engage in Disha camps in urban schools
- Maintain an up-to-date volunteer database, tracking skills, availability, and contributions.

4) Organization development

- Leverage existent systems for volunteer certification, management, monitoring and evaluation to support smooth day to day functioning.
- Lead documentation of our work
- Support the PR and HR volunteers
